

State of Montana EAC HAVA Section 102 Narrative for January 1, 2005 to December 30, 2006

Summary:

The State of Montana provided Title I, Section 102 funds for replacement of punchcard voting systems in years prior to 2006. In 2006, payment of lever voting system funds was not necessary since no jurisdiction used these systems in Montana.

Thus, there were not any Title I, Section 102 expenditures during the period covered by this report, January 1, 2006 to December 31, 2006. This is consistent with the plan and amended plan on file with the EAC.
